SHALFORD HORTICULTURAL SOCIETY 2021

CHAIRMAN'S ADDRESS

Welcome to the Shalford Horticultural Society (SHS) schedule for 2021.
For those who are new to the village, the SHS invite you to join us at our two shows on 17th July and 18th September. Take a moment to read through the schedule with its helpful rules and guidelines and if you have a query, speak to a member of the committee whose phone numbers are on page 2 or bring your entry on the morning of the show and help will be on hand.

Tips for your Show Success

1. Read the schedule carefully as not winning can just be a misread schedule.
2. The condition of produce/entries is foremost in the minds of the judges while uniformity is the second most important factor.
3. Good presentation can win a tie breaker, so think about making the most of your display.
4. After setting up, walk away and return to reassess.
5. And finally, enjoy the experience and have fun.

We look forward to admiring all that you have knitted, crafted, baked, grown and photographed. There are entries for the children too who, we hope, with gentle encouragement, will enter, to return later in the afternoon to see everyone's efforts. Even if showing is not your "cup of tea" then perhaps our refreshments are. Members of the Bendlowe's trust will serve you a steaming cup of tea or coffee as well as delicious cakes with tables to sit and chat to friends old and new.

RULES & GUIDELINES

The Shows are promoted to encourage interest and participation from the experienced and inexperienced alike. These notes are provided as a guide to the less experienced in order that exhibits will be presented in the best manner and in the spirit of open competition.

General Rules

1. The Committee, whilst taking all possible care of exhibits, is not responsible for any loss or damage that may occur.
2. Every specimen exhibited in Vegetable, Fruit and Flower Classes must have been grown by the exhibitor.
3. Exhibitors to provide dishes where necessary for presentation. No exhibitor may enter more than one exhibit in any class, nor may two or more persons exhibit separately from the same garden in any one class.
4. The Committee reserve the right to examine the garden or greenhouse of any exhibitor, either before or after the Show.
5. Pot plants should have been in the exhibitor's possession for a period of three months
6. Photographs must not exceed 18cm x 12cm and must be shown unmounted (i.e. not in or on a separate card).
7. The Judge's decision is final.
8. The number of prizes in each class at Judge's discretion.
9. The Village Hall will be open for staging exhibits from 8.00 a.m. on the morning of the Shows and **STAGING OF ALL EXHIBITS MUST BE COMPLETED BY 10.30 a.m.**

Guidelines

10. Read the Guidelines under each section carefully to ensure the correct quantity of specimens.
11. Shallots for pickling must not exceed 3cm diameter.
12. Wash but do not scrub vegetable roots.
13. Tomatoes, peas, beans and cucumbers should be shown with stalk attached. Do not polish.
14. By covering potatoes, cauliflowers and celery with thick paper until judging time, the exhibitor will prevent greening.
15. The foliage of carrots and beetroot to be trimmed to 15cm. The foliage of onions and leeks must be trimmed to half-length and the roots trimmed to 3cm.
16. Onions and Carrots may be tied. Remove the loose skin only from an onion.
17. It is perfectly in order to remove damaged petals from your blooms, but do so cleanly and re-arrange other petals to fill the gaps.
18. Uniformity is most important. Do not spoil your exhibit by adding an odd size specimen.
19. Cookery exhibits should have cooled before being placed for judging and covered with cling film.
20. Check all bottles and jars for sealing. All exhibits should be well filled and perfectly clean.
21. Jam & Chutney should be covered with a wax disc. Then either a cellophane top or a plain screw top at the time of bottling. All labels must be plain white.
22. Any exhibit with vinegar should have a screw top or snap lid and be airtight.
23. Home-made wines & fruit spirits must be shown in clear glass bottles and a tasting glass provided.
24. Points are awarded for exhibits on the basis of: Condition, Size, Colour, Uniformity and Presentation. Avoid overcrowding your exhibits.
25. Submit your Entry Form, Exhibit and Exhibitor's Ticket on the morning of the Show; prepare your exhibit in good time. Where appropriate small exhibits may be displayed on a plate or dish.

RECIPES

VIENNESE WHIRLS (makes 12)

For the Biscuits

250g Unsalted Butter
50g Icing Sugar
225g Plain Flour
25g Cornflour

For the Filling

100g Unsalted Butter
200g Icing Sugar
½ tsp Vanilla Extract

To make the biscuits

Heat oven to 190°C. Draw 24 circles on baking paper using a 4cm pastry cutter as a guide & lay on baking sheets.
Beat butter & sugar until pale. Sift in the flours & beat until thoroughly mixed. If the mix is too stiff to pipe, mix in up to 2 tablespoons of milk.
Pipe 24 whirls using a medium star nozzle onto the sheets. Then bake in the centre of a preheated oven for 13-15 minutes until a pale golden brown.
Leave the biscuits to firm up for 5 minutes before transferring to a cooling rack.

To make the filling

Beat the butter, sugar & vanilla extract together until smooth. Pipe the filling onto half the biscuits & sandwich together with the remainder, flat side to flat side.
Dust with icing sugar to decorate.

SNOW CAKE

Short crust pastry	Cake	Topping
250g plain flour	125g unsalted butter (room temperature)	100g icing sugar
150g butter (cold)	125g caster sugar	A little water
50g caster sugar	3 eggs, beaten	Shredded, unsweetened
1 egg yolk	125g self-raising flour, sifted	coconut
150g Raspberry jam	A pinch of salt	

Make pastry base. Using 2 knives, cut butter finely into sugar, but do not cream.
Add the egg yolk & stir to combine. Add the flour & using fingertips rub in butter until it resembles breadcrumbs. Press the mixture into bottom of 20cm x 30cm tin, pressing firmly. Bake for about 10 mins 190°C. Don't let it start to brown. Remove from oven & cool while making the cake mixture. Lower oven to 180°C
Make the cake. Cream together the butter & sugar until pale, light & fluffy. Add roughly 1/3 of beaten egg & mix well. Add roughly 1/3 of flour & mix. Continue until rest of egg & flour are combined.
Prepare for baking. Spoon the jam evenly onto the pastry base taking care not to reach the edges. Place dollops of cake mix all over the jam & spread carefully …… so as not to get it mixed into the jam. Put the cake into the oven for approximately 30 minutes at 180°C until firm. When cooked, allow to cool completely in the tin.
Decorate. Run a knife around the cake to loosen. Put icing sugar in a bowl & add water until thick, but a runny consistency. Before icing begins to set, sprinkle generously with the shredded coconut. Allow to set before cutting cake into squares (makes 8 to 10)
